HOLY SPIRIT PARISH

A Prayer for Father's Day

God, our Father, we give you thanks and praise for Father's young and old.

We pray for young Fathers, newly embracing their vocation; May they find courage and perseverance to balance work, family and faith in joy and sacrifice.

We pray for Fathers around the world whose children are lost or suffering; May they know that the God of compassion walks with them in their sorrow.

We pray for men who are not Fathers, but still mentor and guide us with fatherly love and advice.

We remember Fathers and Grandfathers, who are no longer with us but live forever in our memory and nourish us with their love.

Amen

Question of the Week

How does the Eucharist nourish you? What "loaves and fishes" do you have that nourish others?

I write this bulletin article from Zerphyr Point Presbyterian Retreat Center where I am with over 270 teens and 70 youth leaders at the

Diocesan Youth Retreat (DYR) 2019 of which 50 of teens and 10 of the youth leaders are from Holy Spirit Parish. You can see by the photo they are all happy and how beautiful

it is here. I always look forward to coming up here and spending this quality week with the teens. I have been coming up here for 18 out of the 19 years of my priesthood. It is an extraordinary place of beauty and displays the magnificence of God's creation. It is also a place of transformation for the students who come here. Every year I am amazed at how the Lord works miracles in their lives and meets the youth where they are and helps them rediscover Jesus in their lives.

It is also a place of renewal for me as it was in youth ministry where I first discovered my love of the Lord and I find working with the teens a source of renewal of my own ministry as priest. Their endless energy is a source of energy for me. Their zest for life is a reminder for me to treasure the gift of health and life itself. Their curiosity and constant questioning is a reminder of how beautiful it is to learn new things and ideas. Their unbounded embrace of life gives me the courage to try new things. Their quirky sense of humor challenges me to not be afraid of silliness and enjoy life's lighter moments. Their willingness to enjoy the present moment returns me to the value of true presence with those right in front of me. Yes. This place is a true renewal of my own heart even it is does exhaust me physically to keep up with them.

Before I left for Tahoe, I had an opportunity to visit the VBS at our own parish and experience the endless energy of the "little ones" while they learned about Jesus as the "center of their universe." Merry, Annie and the entire team of leaders did an amazing job of engaging these little ones in developing their faith. I am very grateful for the tons of volunteers who gave of their whole week to allow our children to frolic in the hot week and learn of Jesus in creative ways.

And this is just the first week of summer!! Wow! What a great start! I pray that every one of our children can get to discover the love of God through such lively programs and I pray they grow in their faith. May we be renewed by their enthusiasm and recommit to sharing our faith with them.

Finally, I want to wish all our fathers a HAPPY FATHER'S DAY. I hope your family will share with you how important the gift of your love and faith is to us your children. May God continue to bless you all with faith, hope and love and empower you to be the best of fathers to us all.

LIVING THE LITURGY

Pentecost

Last week was the feast of Pentecost which commemorates the outpouring of the Holy Spirit on the disciples gathered in the "upper room."

Traditionally, this feast was celebrated on a Thursday 50 days after Easter but in recent times it has been left to the local Bishop to transfer the Feast to the seventh Sunday after Easter. It was also the feast day of our parish. The red sanctuary colors symbolize the fire of the Holy Spirit as well as the commission from God to proclaim and to spread the good news of the Gospel to all nations. It is this work of the Holy Spirit that ultimately fulfills the mission of Christ. This outpouring of the Holy Spirit is represented by Seven gifts: Courage, Understanding, Piety, Wisdom, Awe or Wonder, Counsel or Right Judgment, and Knowledge. The biblical origin of these seven gifts is found in Isaiah 11:1-3 where the qualities of the Messiah are foretold. These seven gifts are the signs that the Messiah will be guided by the Spirit.

Indeed, Jesus, at His baptism, was filled with the Holy Spirit. And throughout the Gospels, we read how these seven gifts formed Jesus' persona, i.e. His courage to continue His journey to Jerusalem despite the prophesied danger; His understanding of the poor and the sick; His reverence for His Heavenly Father; the wisdom expressed in His parables; His awe before the wonders of creation; His right judgment when tested by the Pharisees; and His knowledge of God's will.

Pentecost Sunday is a day to celebrate hope, a hope evoked by the knowledge that God, through the Holy Spirit, is at work among His people. It is a celebration of newness, regeneration, renewal of purpose, mission, and calling. It is a recognition that His work is done through His people as He pours out His presence upon them. Though this grace, we must renew our commitment to serve our community and continue God's work in the world.

PASTORAL CARE

Summer Heat and Caregiving,

The dog days of summer can complicate caregiving. Seniors and vulnerable adults with medical challenges, cognitive diseases, dementia or Alzheimer's, are sensitive to temperature extremes-- high summer temps or overly-air conditioned rooms. The result presents as low motivation, appetite and activity levels. Here are some ways to keep up with your loved one's needs this summer:

Use mobile health care. During milder weather, getting out of the house for appointments provides stimulation and social interaction. But in the sizzling summer months, take advantage of home health practitioners who make house calls, mobile labs and other services. Postpone non-essential appointments.

Bring in friends, services & exercise. Invite friends over for meals or short visits, so both care receiver and caregiver have opportunities to socialize with others.

Watch fluid intake. Even with staying inside, increased fluids are still necessary. Seniors often don't feel thirsty, so remind your loved one to sip water. Insulated cups ensures drinks stay cooler and straws seem to encourage more drinking. *(Adapted from AARP by Amy Goyer, 2014.)*
