### Back to School Prayer

**Loving God,**

Thank you for the rest and relaxation we enjoyed over the summer.

Today, we pray for our children, as they begin their new school year.

Bless them with joy at seeing friends, excitement at new experiences, and a love of learning.

Watch over all who learn, replacing fear with joy, anxiety with peace, and tiredness with energy.

Grant teachers wisdom, patience and joy in serving their students.

In Jesus' name we pray.

**Amen**

## NOTE FROM OUR PASTOR

After writing in last weekend's bulletin about the senseless violence in Gilroy, I was shocked to arrive home from Ireland to yet another outburst of gun violence in Dayton, Ohio and El Paso, Texas. It is hard to imagine why these occurrences of gun violence do not readily bring us together to defend the vulnerable and innocent. And the headlines seem to divide us even further.

However, these violent outbursts are symptoms of a deeper wound in our society. Our nation is significantly divided on how to deal with important matters that effect our future as a nation. We need to seek common ground to address defense of the vulnerable and innocent. We need to seek a common language that *unites* us and not *divides* us. We all need to use language that *heals and gathers us* and *not wounds and divides us*.

Michael Okićzyc-Cruz, executive director of [the Coalition for Spiritual and Public Leadership](#), said these shootings require the nation to admit "that it has never truly healed from the evil of racism." He continues by adding, "The racially motivated murder of Mexican Americans and several Mexican nationals this past weekend in El Paso is another visceral and devastating example of the perpetual power and force of the ideology of white supremacy that continues to warp the minds, spirits and hearts of many white young men."

Mr. Okićzyc-Cruz, who works through racial tensions in the Chicago area, said to America magazine, "Christians are called to 'love our enemies' and resist a debate that pits one side against the other. True love demands courage, solidarity, honesty and risk," he said. "It also requires us to face the demons of our nation's past and present, to call forth the depths of courage and moral strength within each of us, to work together for a fundamental moral reform that our nation urgently requires, to face our enemies even during the most terrorizing of times and to seek the conversion of their hearts and spirits."

We all need to demand that our leaders, both civil and church, to call us to become our best selves and seek to unite us to a common good and not seek to use these events to further reinforce "our sides" opinions. It is imperative that we unite against the forces of evil and not further any political or ecclesial agendas. We need to condemn, in no uncertain terms, these horrendous acts of violence and demand full justice. We also need to reflect deeply if our leaders, or anyone, says anything that in any way enables, encourages, or empowers such xenophobic or racial hatred to be fostered in any heart anywhere.

Yes, we need to pray for peace and unity but at the same time we need to demand changes to our systems that allow easy access to guns. And to speak out against rhetoric that encourages hatred to be festered. Please pray for healing for all effected by these acts of violence. Challenge anyone who uses any racial or xenophobic language whether friend, family or leader.

## Question of the Week

When you hear the reading today, what word or phrase caught your attention? What really struck you in today's reading?

### The Feast of the Assumption

On August 15, the Feast of the Assumption, is the principal feast of the Blessed Virgin Mary, the mother Christ. It is a Holy Day of Obligation. This feast commemorates two events: the departure of Mary from this life and the assumption of her body and soul into heaven.

By tradition, Mary lived at Ephesus after the death of Jesus, but her tomb was presumably found in Jerusalem. Mary died in the presence of all the Apostles, but her tomb, when opened, upon the request of Saint Thomas, was found empty and the Apostles concluded that her body was taken up to heaven.

Mary was assumed into heaven and not ascended: to ascend is to rise up under one's own power; to be assumed means something that is done to one. Jesus was ascended to heaven by His own power while Mary was assumed or taken up into heaven by God.

The Feast of the Assumption was one of the four dogmas of Blessed Virgin Mary. It was declared and promulgated by Pope Pius XII in 1946, i.e. "Mary, the immaculate and perpetual virgin, the Mother of God, after the completion of her earthly life, was assumed body and soul into the glory of Heaven," which is an essential teaching to the Catholic faith.

#### *Non-silent Retreat for Women and Men*

When our cell phones or computers don't work as they should, we are told to "hard reset" them. That means literally turning the power off and restarting them. Our spiritual lives are the same.

Sometimes things are not working as they should and we need to do something. Come and reset your spiritual life.

Fr. Brendan will use his experience as a former executive from the IT world to guide people working in the tech industry through a reset procedure for our spiritual life.

### Pack a Back Thanks You!

Thank you to everyone who volunteered or donated backpacks and school supplies to Sacred Heart's Pack a Back campaign.

During our backpack drive last month, we received hundreds of essential school items, including backpacks, calculators, notebooks, and monetary donations. We are deeply grateful to all the generous Holy Spirit parishioners who gave their time, talent, and treasure to this campaign.

Having all the necessary school supplies gives kids confidence as they start the school year. Your donations also help alleviate the financial stress that is placed on struggling families who must sometimes choose between food, clothing, and school supplies.

Two weeks ago, a group of youth and adults from Holy Spirit went to Sacred Heart to sort and categorize donated supplies.

Last Saturday, another multigenerational crew of Holy Spirit volunteers packed the supplies into grade-specific kits for the registered children. Both crews enjoyed hard work and fellowship.

Then, just this past Friday, the day finally came to distribute 3,300 backpacks!

A group of 15 teens and adults from Holy Spirit had the privilege of helping the happy children pick out their very own backpacks and supply kits.

Your donations and efforts brought smiles to the faces of 3,300 students from kindergarten through High School. Thank you!

### Survival Sacks

We gather on the first and third Thursdays of the month to distribute Survival Sacks, organize supplies, make hygiene kits, and fill backpacks.

Sacks are distributed to those who are homeless and living on the streets of San Jose, usually about 50 on each distribution day.

Consider joining us on **August 15th**. We meet at Sacred Heart at **8:45am** and finish up about **10:45am**. For questions, please contact Tom Burgei and Patty O'Neil at [tnburgei@yahoo.com](mailto:tnburgei@yahoo.com).

**PARISH ACTIVITIES****Bethlehem Artworks**

Beautiful hand-made olive wood religious articles made by Catholic families in Bethlehem and Jerusalem will be on sale the third weekend of **August the 17th and 18th after all the masses**.

Bethlehem Artworks is a non-profit organization that provides assistance to over 100 plus suffering families each week.

Please stop by the tables outside and take a look at our beautiful handmade rosaries, statues, crosses and nativities.

They will make a wonderful present for family and friends; or an opportunity to add a beautiful hand carved religious item for your home to be cherished through generations.

The religious articles are made by the suffering Christian families in the Holy-Land, and are their means of spreading the word of Jesus, a goal that began two thousand years ago.

The population in the Holy Land has dropped from over 65% to under 2% just within the last 10 years.

Crafting the religious articles is the primary means for providing for the livelihood of Christian families in the Holy Land.

### Growing Our Friendship with Jesus

Our goal is for all members of the Holy Spirit Parish Community to grow in a loving relationship with God through the person of Jesus.

**Growing Our  
Friendship  
with Jesus**

The "Growing Our Friendship with Jesus" process was developed to take everyone from where they currently are in their faith journey and help them grow in their relationship with Jesus. This adult formation process strives to fit your busy schedule and support you in your commitment to personal prayer and service to others.

*The "planting process" provides you with tools and practices that will help you learn to use your daily prayer time. This process is for anyone looking to be more consistent and deliberate in their prayer life.*

The participants will be presented methods of creating a sacred space for prayer, developing a routine, and using scripture and other forms of prayer to enrich your daily prayer experience.

In addition to the opening and closing retreats and the 4-week sessions, the participants will be asked to pray and journal daily for up to 30 minutes.

At the end of the session, the participants will be ready to attend another planting session or experience one of our cultivation sessions.
